THE 166th KODACHROME

.. WEEKLY ..

VOL. 1 NO. 1

A COLORFUL ACCOUNT IN BLACK AND WHITE

The "KODACHROME" presents this, it's First Edition, for your approval..... or disapproval. It is meant to be a medium for the exchange of ideas and worthwhile tips gained in the field, with a little humor and a few personal items to give it a lift. This First Edition will be limited to 75 numbered copies which are sent to a selected list as a sort of test for the idea. If you like it and want it, send in some items of interest from your Unit.
