He and Franklin are to be the next photo team sent out on assignment, they both have a lot in common. OUT OF THE MAILS...

In a letter dated June 12th to Lt. Goebels, Lt. Pike debunks the rumor that Lt. Roth was killed. He writes that of the old unit only Van Bergen remains, the others having been transferred; Van is up for a direct commission and it's very likely that he'll get it.

He asks that his best regards be passed on to the gang.

Kenny Kimble scribbled on June 30 that no time is wasted in processing the homeward bound; he expected to be shipped on July 1st. He made everyone in the outfit sit up and take notice when he wrote that there's a \$200 duty tariff on Lugers.

Anybody want to by a nice new shinye Luger cheap?

Lt. Geo. Coates is the new S-3 officer replacing Lt. Noah who is "Z-I" bound through his misfortune of getting a sprained ankle in a volley-ball game. The ankle had to be operated on. Tough Luck.
